

Joan's Story

I like to donate to St Mary's Hospice as my first husband, Norman Rowe died there in July 1993 – he was only with you for two days but had received such wonderful support from you at home during the previous weeks.

In 1996 I married a friend of 40 years, Richard Crump but sadly he died 6 weeks later.

Hence the reason I have 'Tree of Light' memories for them both.

You do wonderful help for people and I am always happy to support you
